Melanie,

I would like to have Dennis Kelly and Campbell Merrifield join in the Land Use Planning meeting to begin getting up to speed on the early transfer issues. I can cover their time for the meeting within our existing budgets.

All-

Please find attached, the objective and agenda for the meeting next Wednesday (2/6/08). Our intent is to share with the BCT, our current land use plans related to the proposed development, so we can discuss related environmental issues. The meeting will be open discussion - so let us know if you think we've missed items we should discuss.

Thanks,
Sheila
